

THE

Butt Tidy™

CIGARETTE BUTT DISPOSAL UNIT

A neat clean solution for keeping your property tidy and free from unsightly cigarette butts. Designed to eliminate the unsightly appearance and fire hazard of conventional butt out trays and rubbish bins. Ideal for use with new smoke free workplace laws.

Opening size allows cigarette butts, but deters litter from being dropped in

Hooded opening keeps rain out

Butt out spot adjacent to deposit location

Low maintenance heavy duty polyethylene, wont rust or dent

Easily opened for cleaning

Galvanised steel liner bucket, easily removed for emptying

Large diameter base for excellent stability

Specially designed to eliminate any flow of oxygen so that cigarette butts will extinguish and not continue to burn

ATTRACTIVE SIMPLE DESIGN AVAILABLE IN FIVE COMMON COLOURS

Mist Green

Light Grey

Wheat

Heritage Red
